Re: Proposed Annexation to the
City of Glendora, Easterly
Annexation District No. 26

Dear Sir:

At the meeting held on April 24, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of April 15, 1957, of the proposed annexation of territory of the City of Glendora.

Although the boundaries submitted do not create islands or corridors of unincorporated territory and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,
